Price category 5	32

*The cost of supervision will be added to the rent for sports halls in schools with evening supervision (see page 13)

Event prices (incl. 25.5% VAT)

Price group A	Sporting events organised by clubs and associations - Club or community performances, competitions, tournaments, camps, parties and other events - Tournaments, competitions and sports days organised by educational institutes - Setting up and disassembly, when they take place on the same day as the event itself - If the setup and/or disassembly takes place outside normal opening hours and outside the day of the event, the facility's hourly rate and staff costs will be charged.
Price group B	Sporting event related to financial and business operations
Price group C	Non-athletic event organised by clubs or associations
Price group D	Non-athletic event related to financial and business operations

The event price includes all the permits required by the venue, including sales and advertising permits and driving permits. Depending on the venue, the event price also includes other equipment and services provided by the venue. At Töölö Sports Hall, for example, electricity, water, sound equipment and timekeeping equipment are included in the event pricing. Facilities and services vary from venue to venue. Contract pricing is applied to the total rents of swimming pools and outdoor swimming pools.

When an event booking lasts at least six hours (6 h), it will be charged for at the rate of its price group in full. For bookings of under six hours, the rate is halved. If the purpose of use falls under price category 1 (juniors, seniors, special groups), events of six hours or more are charged for at half the price of the price category, and events of under six hours are charged for at a quarter of the price of the category in question.

The sports facilities available for booking are divided into five different price categories. Event prices are determined on the basis of these categories (please see the table on the next page).

Prices in euros (€)		Adults	Adults	Juniors / special groups	Juniors / special groups
	Price group A	6 hours or more	under 6 hours	6 hours or more	under 6 hours
